

VictorySwap.com was created by Coaches for Coaches. VictorySwap.com is a state of the art web-based alternative for film exchange and distribution.

VictorySwap.com also offers other tools for coaches like Classified posting service and Video Resume posting service (coming soon). VictorySwap.com allows assistant coaches, players, family members, alumni and college recruiters direct access to game film, eliminating the need for coaches to make copies, drive, meet, swap and distribute to assistant coaches.

Players and Family.....

Victoryswap.com is an ideal way for players and family to download and watch game videos, save game videos for keepsakes and support their sports program at the same time.

- Players, review your games at home; prepare like the pros.
- Parents don't miss a play.
- Family out of town? Now they can also share in the excitement of seeing your athlete play!
- Coaches can allow access for your player to College Recruiters.
- Purchase the **Game Day Package** for **\$49.95**, which allows you to download games to your computer and if you want you can follow your computer's instructions to burn to a DVD (requires DVD burner on your computer). *The license makes it a federal violation to make and distribute copies to others.*
- Don't want to Download or Burn Games, then we will do it for you with the **All-Star Package (\$79.99)** where we will send you an entire set of the games on DVD after the end of the season. *(Illegal to make copies for other persons)*
